VOLFAS ENGELMAN

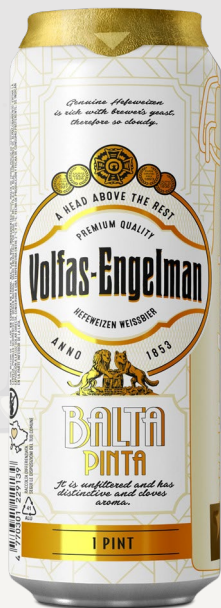

“Volfas Engelman” is a beer trademark that has deep historical roots – it’s first registration dates takes back to 1927 after the amalgamation of I.B. Volfas and Engelman Breweries. It was revived in the independent Lithuania in 2008. That is the only beer trademark in Lithuania the name of which consists of the last names of two establishers of the brewery.

RINKTINIS

Rinktinis is created only from fresh specially prepared water, its luxury is revealed by selected hops and exclusive beer yeast and the Lithuanian pilsen type malt presents it with light color.
